Sweetheart, Mascot

YHS Band Honors Representatives

The Cameron Yoe High School Band, Friday night, presented their 1962 Band Sweetheart and Band Mascot at the Marlin - Cameron game.

Jack Hughes, Yoe principal presented the mascot, Brian Wilkinson with a mascot's baton. Miss Ada Margaret Smith presented a bouquet of mums to the newly-elected sweetheart, Miss Lynda Griffin.

The band sweetheart representative was escorted on the field by drum major Jimmy McGregor as the 100 - strong Yoe Band played "Let Me Call You Sweetheart." Escorting the new mascot onto the field was last year's mascot, Brenda Burnett, daughter of Mr. and Mrs. Griffin Burnett.

Miss Griffin is the daughter of Mr. and Mrs. Buster Griffin and Wilkinson is the son of Mr. and Mrs. Buck Wilkinson. The two representatives won over other nominees in an election last week by the band members.

Before presenting their sweetheart and mascot, the band performed two difficult precision drills to the tunes of Gallantry and Loyalty. The band is directed in music and drills by Francis Cox, Yoe band director for over thirty years.

HONORED BY BAND -- Band Sweetheart Lynda Griffin, at left, looks on as Principal Jack Hughes presents 1962 Band Mascot Brian Wilkinson a baton. Standing beside Brian is 1961 Band Mascot Brenda Burnett. Presentation of Miss Griffin, daughter of Mr .and Mrs. Buster Griffin, and Brian, son of Mr. and Mrs. Buck Wilkinson came at haiftime ceremonies of the Marlin - Cameron game Friday night.

Cameron Scouts Seek $2,500 Fund

Safety Program Continued For Second Year

A year - round home safety program inaugurated in 1961 by Lone Star Gas Company has entered its second year. The Texas Safety Association and The Cameron Herald are co - sponsors of the program.

Lone Star Manager Charlie Burke said here today, 'this public service program seeks to save lives and prevent home accidents by teaching the individual how to detect and eliminate home hazards."

Home accidents occur in Texas at the rate of one every 16 seconds and a victim of a home accident dies every seven hours, the Texas Safety Association reports.

Newspaper advertisements and stories will tell how home accidents occur and will suggest methods of eliminating of these hazards to life and limb.

A free four - page pamphlet on home safety may be obtained at the offices of Lone Star and co - sponsors shortly before the first of each month, starting Sept. 1. Based on Texas Safety Association records of home accidents deaths and injuries in preceding years, each pamphlet tells the number of home accident deaths and injuries expected to occur during the ensuing. month--and tells how these deaths and injuries will occur and gives the ages of the expected victims.

Two additional four - page pamphlets tell of home hazards faced by old and young family members in the 65 - and - over and the four - and under age brackets. Hazard controls are suggested in these pamphlets.

Milam Cotton Count

14,000 Bales In

Milam County has produced about 14,000 bales of cotton thus far, nearing a predicted count of 15,000 bales by the end of an early season.

P. W. Davis, manager of Cameron Compress, estimated that most of the cotton was already in throughout the Milam area. Cotton came in about a month earlier than in 1961.

Rains two weeks ago ended a near - record drought of about 70 days. Grassland and peanut crops were about scorched until the general rains of two weekends ago.

All other Milam crops -- grain, corn, truck crops -- had a productive year. Yield per acre in maize was ranging from highs of 3,000 pounds on upland to 5,000 pounds in bottomland.

Agriculture observers reported that Milam farmers were using more fertilizers this year than ever before. Farmers already were buying large quantities of fertilizer for fall planting.

SCOUT DRIVE BEGINS TODAY WITH RALLY

A $2,500 Cameron Boy Scout Fund Drive will get underway Thursday morning.

Officials urged workers to meet at The Texan Cafe 9:30 for a short briefing on the drive. It will continue through Saturday, Sept. 22.

Residents of Cameron are urged to donate generously to the campaign, officials said, to sustain Scouting in Cameron.

"The $2,500 total is a small amount to help hundreds of boys in the community", one official said.

Persons not already contacted to aid in the drive may contact John Henderson, Jr.'s office or KMIL.

Ellsworth Augustus, president of Boy Scouts of America, said during a recent national meeting: "To a boy, Scouting is fun, romance and adventure, the smoke and flame -- and the boy knows it -- is a depth of meaning, a deadly serious intent and purpose. This is a program of highest priority in our scheme of life, not to be confused as 'just recreational'. Our very motto, 'Be Prepared,' beckons our attention into the vast unknown into which our sons must walk boldly and with sure knowledge."

By FML

There are letters and then there are letters. One of rare humor about a legal case appeared in a recent issue of The Texas Observer.

It was written by Tom Dies, a Gulf Oil Co. lawyer in the 1920's. It was written to the attorney of the workman claiming injury under Texas compensation laws:

"Gentlemen:

"I have your letter of May 1st with reference to the above claim. We have investigated the facts in this case thoroughly, and they reveal that White was on duty, engaged in dumping slips, and one of the mules that was pulling the slips was not conducting himself as he should and White (the plaintiff) left his post of duty and remarked: 'I will show you (speaking to the man employed to drive the mules) how to make the mule stand up.' and forthwith struck the mule on the jaw with his right fist, fracturing bones in his right hand.

"It is possible that the courts will hold that this injury is covered by the workmen's compensation law. It has been woefully stretched to cover many far-fetched injuries already.

"In an examination of our court reports I have failed to find a precedent, but have a faint recollection of one or two instances in sacred history that seem to apply to this case, and while not all together in point, yet I think they will convince you of the utter folly of your client's actions.

"You will recall the mighty Sampson -- how he slew a thousand Philistines with the jaw bone of an ass. Common knowledge of the Holy Scriptures should have taught your client the folly of his abandoning his safe and peaceful occupation of 'dumping slips' and faring forth to assault the jaw of an ass with his bare knuckles.

"You are acquainted with the scriptural account of Balaam and his ass. (I pause to remark that you and your client, perhaps, as well as I, in our boyhood days, have sweated and groaned through many a long sermon by a country parson on the folly of Balaam's conduct toward his ass.) It is reported in Sacred Writ that Balaam smote his ass three times, and not only was he rebuked by his ass, but the Angel of the Lord scathingly denounced him for his perversity. Now what did Balaam do? Saddle off to a lawyer and execute a power of attorney?. No, a thousand times no. He apologized not only to his ass for his folly, but to the Angel of the Lord for his perversity.

"Times have changed. The whole world is out of joint. Precedents, both scriptural and profane, are swept aside with impunity. Innocent corporations are mulcted in damages through the folly of the foolish.

"I appeal to you, as a friend and a lawyer, to carefully consider this case, and in the name of Holy Writ, withdraw your claim. If you will not do this, will you be kind enough to see that this ass assaulter gets proper medical treatment, and some time soon, I will either be in Beaumont myself, or have a representative there, and we will discuss a settlement of this claim.

"With kind personal regards, I am

"Your friend,
"Tom Dies"

103 - 103 - 103

There was no report on how the case came out. Incidentally, Tom Dies was the uncle of Martin Dies, former Chairman of the House Committee on Un - American Activities. Tom Dies' widow, according to The Observer however, is a liberal who holds AT&T stock and opposed passage of the Sattelite Bill which passed.

Water, Street Reports Given In Council Meet

The City Council Tuesday approved a $272,042.50 budget and heard reports from water and street department heads.

Public Works Supt. J. B. Earle reported that several projects were underway, including gravel street grading, paving, curbing of E. 12th St. from Cleveland to Harding, base work on Gillis Avenue, West Main shoulder work and plans for starting work on 16th Street at Washington Avenue and drainage work on E. Sixth Street.

Water Supt. Alvin Hefft reported completion of several routine projects and received Council approval for some equipment parts purchases.

City officials also announced that Cameron is awaiting a State Highway Dept. recommendation on type of traffic lights to be installed at the Fourth and Travis intersection.

The budget was approved in routine fashion at the public hearing segment of the session. Councilmen had spent several evenings preparing items of the budgets for final approval Tuesday.

Plans Continue For SOS No.2

Milam Medical officials have announced there are to be no changes at present in plans to adminster the second series of Sabin oral vaccine October 21.

This report followed the trend of most County medical societies which plan to give the vaccine in October despite the development of four cases of polio in Canada attributed by officials there to Type III Sabin vaccine.

Sabin vaccine will be administered in the October 21 SOS drive.

United Sates health officials have termed the SOS drive worthy of continuation. Chances are one in a million of any difficulty in the use of the Type III vaccine.

In make - up clinics last week in Cameron and Rockdale, more than 800 people took the Type I oral vaccine, which immunizes against bulbar polio.

It raised the total well over the 15,100 mark in Milam County. It was the first county - wide immunization drive in Milam history.

The Milam Health Unit reported that 436 persons took the oral vaccine in Cameron during the three-day make - up last week.

CC Recommends New Projects To Promote Cameron

Members of the publicity committee of the Cameron Chamber of Commerce are conducting three new projects. The projects were recently discussed at a meeting held by the committee.

A drive to push Cameron's slogan through the sale of rubber stamps was started. Committee members will visit merchants and sell rubber stamps at $1.

This project will bring in very little money to the Chamber as profit but it will help to stress the slogan and get the townspeople working together in the project.

Also discussed were welcome signs for the three main highways coming into Cameron and the first draft of a public relations letter to businesses and employees was okayed.

Ann Bowman Gives Program For Lions

Ann Bowman, Cameron student just returned from a year in Germany, presented a program of slides and a report of her visit in Europe to Cameron Lions Monday at the Texan.

Thirty - five members and guests listened intently as Ann described her experience in Augsburg school, visit to Berlin and other parts of Europe during the past year.

She is the daughter of Dr. and Mrs. George Bowman of Cameron

Milam Delegation Attends El Paso Demo Convention

Milam County's delegation to the State Democratic Convention was in El Paso this week as Texas Democrats rallied for greater unity.

John B. Henderson, Jr., Cameron attorney, headed the list of delegates going to El Paso.

Max McClaren, Milam Democratic chairman, said that 10 of 16 appointed delegates were attending the convention.

They are: Henderson; Mr. and Mrs. L. A. Romine, Mr. and Mrs. Leonard Allen, and Mrs. Margie Abbott, of Rockdale; Ben Ford and E. C. Mowdy of Milano; Marvin Hendrick, of Thorndale; and Rep. - Elect Milton Schiller, of Cameron.

Yoemen Travel To Taylor Friday

After finding victory last week the Yoemen hit the road this week for a game with Taylor. The Yoemen will meet, as usual,. a much heavier team this week.

The Taylor line will average 172 pounds, nine pounds per man heavier than the Yoeman front wall. The small Yoeman backfield will be outweighed 15 pounds. The Yoeman backs average 146.

Taylor has lost its ifrst two games and will be looking for a win when the Yoemen step on the field and revenge for the 15-14 heartbreaking score last year. This game last-year snapped a six game winning streak and was the first loss of the season.

Taylor lost to a fired up Rockdale ball club who could do no wrong last week as Rockdale gained revenge for a game two years ago with a lop - sided score of 52-6.

Taylor has been hampered by injuries and sickness in their first two games but are expected to be in good shape this week and ready for a victory.

The Ducks have a fine backfield with Lucky Fitzgerald at quarterback, Rodney Kincl and Tim Hurta at halfbacks and Randall Woods at fullback. Kincl scored the only touchdown made by the Ducks this year. He is also an outstanding defensive line - backer.

Taylor will be running a "pigon-toed" T formation with the pigon-toed back going in motion part of the time. Their defense will be much the same as the Marlin defense except that the Ducks are expected to stunt a bit more.

Cameron will be in good shape as there were no serious injuries in the Marlin game. The Yoemen have been working to defense the Duck's offense and to learn blocking on the Taylor defense which uses a roaming linebacker.

Probable starting lineup for the Yoemen is:

LE - Merlin Lester - 155
LT — Eugene Schattle - 185
LG — R. L. Mikulec - 150
C — Bob Dymke - 165
RG — Bobby Jones - 150
RT - Mike Koranek - 190
RE — Mike Perrin - 150
QB — Mike Mikula - 140
LHB — Amos Doskocil - 150
RHB - Craig Wallace - 150
FB - Joe Mayer - 145

Probable starting lineup for Taylor is:

E - Wilford Webb - 166
E Charles Nowlin - 165
T - Jim Freels - 170
T - Jim Welch - 200
G - Gene McAlpine - 185
G - Buz Garry - 185
C - John Richards - 160
QB - Lucky Fitzgerald - 130
HB - Rodney Kincl - 165
HB - Tim Hurta - 175
FB - Randall Woods - 175

Reserve Seat Tickets for the Taylor - Cameron game Friday will be on sale in the High School principal's office Thursday and Friday.

Trooper Joins Milam Staff Here

Officer Durwood Kennedy, 29, has joined the Cameron staff of the Department of Public Safety.

He succeeds Officer Jack Straley, who transferred to Brady after six years in the Cameron office.

Kennedy will serve with Officer Gilbert Smith from their office in Milam Courthouse.

A native of Mexia, he is married. Mr. and Mrs. Kennedy have three children, Tommy 7, Debra 6 and Danny 4. They reside at 1811 North Fannin.

WANDO, TRC SHEEP -- John S. Batte, general manager and starter at Cameron Livestock Auction, and Al Berry, Gonzales businessman, hold Wando, pet sheep of the Texas Rehabilitation Center. The sheep was auctioned off at the local auction last week for proceeds to the TRC at Gonzales, which Berry is publicizing through auctions across Texas. Berry's tour has raised $25,000 through auction bids and another $25,000 in donations to help keep the Gonzales center open. TRC has been cut off of state funds. Berry is conducting his campaign without pay, hoping to arouse interest and continued support of the Center.

$273,042.50 Total

City Approves Budget

The City Council Tuesday approved $273,042.50 budget in a public hearing at City Hall. It goes into effect October 1.

Budget figures showed that major revenue sources would be:

--$61,697.79 from taxes and a net carryover of $14,600 from the feneral fund.

--$78,736.72 from various taxes rents, licenses and fund transfers from water and sewer departments.

--$102,354.72 from water service revenue

--$27,133.21 from sewer service revenue

--$3,120.06 from the city swimming pool

Major general fund projected expenditures included: office expense, $4,747; law department, $3,000; mis cellaneous (social security, election expense, electrical inspection) $4,569.97; health unit, $1,440; salaries $17,610; utilities, $9,900; street department, $31,748.62; sanitation $22,322.14; cemetery $1,935; recreation $1,820; police department, $20,124; and fire department $6,586.68.

IMPROVEMENTS

General fund plans also include projects for paving 12th Street from Crockett to Austin and north, $697.38; paving E. Seventh St. from Fannin to Jackson with participation) $4092; W. Main St. to SP crossing (with participation) $800; curb and gutter and paving 6th St. from Jefferson to Rusk Avenue, $1,610; and replacing drain, $500.

And a 4.99 per cent contingency of $7,021.72 is included in the general fund expenditures.

Cameron's bond and warrant indebtedness now totals $584,000 for five series of bonds, including $175,000 for 1957 sewer improvements, and $375,000 for water plant improvements.

BONDS OUTSTANDING

Amounts outstanding in other bonds include: $20,000 in 1951 street improvement bonds, 1951; $12,000 in 1951 public building bonds, 1951; and $2,000 in sewer revenue warrants, 1955;

Principal and interest on bonds for the 1962-63 fiscal year total $31,835.76.

The City has retired two bond issues since 1958, including the swimming pool and right - of - way for Fourth Street widening.

Since 1958, the City has paid $58,000 in principal on bonds. During the past year, the principal on the old street, public building and sewer bonds was reduced by $14,000.

Interest and principal is now beginning on the 1957 water and sewer bonds which paid for construction of the new water and sewer plants.

Valuations were $5,359,616. The same $1.60 per $100 valuation was basis for determining total tax revenue of $78,893.55.

Funeral Services For Mrs. Lange, 71

Funeral services for Mrs. Louise Lange, 71, were held in the chapel of Green Funeral Home Saturday at 2 p. m. with Rev. William Wuerz officiating. Burial was in Burlington Cemetery.

Mrs. Lange as born at Manor, and was a former resident of Milam County. She died at her home in Houston.

Surviving her are her husband, Arthur Lange of Houston; one son, Robert Lange of Houston; one daughter, Mrs. Bob Kincaid of Houston; three brothers, Will and Fritz Stoebner of Burlington and Adolph Stoebner of Travis; two sisters, Mrs. Walter Senkel of Cameron and Mrs. Robert Lange of Austin. Also surviving are four grandchildren.

TOWN and COUNTRY NEWS

Burlington —

Mrs. Foshea Improving In Local Hospital

By Mrs. George Logan

The condition of Mrs. J. J. Foshea of Cameron who is a patient in St. Edward Hospital in Cameron has improved. Her children in Houston, Waco, Bryan and Burlington have visited her and Mr. Foshea regularly.

Mrs. Louise Lange, 70, of Houston formerly of Burlington, died at her home in Houston Friday morning. Funeral services were held 2 p. m. Saturday at Green's Funeral Home in Cameron. Rev. William Wuerz officiated. Burial was in the Burlington Cemetery. Two of her brothers Will and Fritz Stoebner live in Burlington.

Mr. and Mrs. Herman Dorner Jr. have bought the house of Mrs. Velma Albert in Burlington and they and family are living there.

Some Burlington and Rosebud folks attended the Jurcak reunion at Bleibersville Sunday, Sept. 6 Among those who attended were: Oscar Trojan of Temple, Mr. and Mrs. Sam Kegley and family of Temple, Mr. and Mrs. Fritz Stoebner, Mr. and Mrs. Will Stoebner of Burlington.

Mr. and Mrs. A. E. Hensel of Burlington and Mr. and Mrs. Rudy Wunsch and Harlan of Barclay went to Waco Tuesday for a visit to relatives.

Misses Judy Krause and Carol Jean Helpert of Waco spent last weekend here with home folks.

Miss Jean England of Alvarado visited in the home of Mr. and Mrs. Phil Krause and family last week.

Mrs. L. Hickman, music teacher of Cameron was at the Burlington Public School on business Friday.

Mrs. Elo Buegeler visited her daughter Mrs. K. Bruidigan and family of Cameron Friday.

Mrs. Fritz Wied of Burlington and her daughter Mrs. Leona Hargrove and others of Rosebud were in Waco Tuesday for a visit to relatives.

Mrs. Joe O'Neill of Waco visited relatives at Burlington and Cameron last week and was accompanied to Marlin by relatives for a visit.

Mr. and Mrs. F. H. Wied were in Cameron on business Thursday.

Mrs. Margaret McAtee entertained the 42 club at her home Tuesday Sept. 18. After games were played refreshments were served.

Mr. and Mrs. John Meek and two children of Bermuda left for Chicago, Ill for a visit to his relatives and plan to be in Burlington soon for a visit to her relatives Mr. and Mrs. Phil Krause and family.

The next time for preaching services at Burlington Baptist Church will be Sunday Sept. 23 and at night.

Misses Georgia and Ruth Barkameyer returned to Denton Sunday after a vacation here with their parents Mr. and Mrs. George Barkemeyer. Their parents took them to Denton.

County Agents Notes . . .

Experiment Site Wants 100 Calves

By J. D. Moore
Milam County Agent

Blackland Experiment Station wants 100 steer calves based on the following information: 1. High good and choice, knife - castrated, steer calves of British breeding weighing between 350 - 450 pounds.

2. Calves should be delivered to Temple substation between 8 a. m. and 5 p. m. on October 22-26.

3. The Temple substation will weigh the calves individually on arrival and will pay for them on the basis of market price. Price quotations will be made to reach the county agents concerned on October 15. Separate quotations will be made for weight variations. For calves hauled less than 50 miles, purchase weight will be the scale weight less 3 percent, 50 to 100 miles, 25 per cent and for calves hauled more than 100 miles the scale weight will be the purchase weight.

4. These calves will be used for grazing purposes and periodic individual weights will be taken. On about August 1 1963, the calves will be placed on Feed and dry lot for about 125 days.

5. The Animal Husbandry Department promises to obtain slaughter and carcass information on the steers. This information will be made available to the original owners of the calves.

It is the intention of the Temple substation to purchase such calves on a market information available and will be set by J. H. Jones and O. D. Butler in consultation with Ralph Baird.

This plan is intended to provide useful information to beef cattle breeders concerning the stocker and feedlot performance of their calves, as well as carcass characteristics.

Any interested stockmen in Milam county should contact the county agent.

COTTON REPORT

Movement of cotton into the CCC loan program increased this week according to the USDA's Cotton Division. Farmers were selling when prices offered were above loan levels. Demand was not strong enough to absorb more than a small proportion of current ginnings. Buyer interest was limited to cotton for nearby needs. There was a very wide variation in prices offered in country markets. Prices for Middling and higher White grades ranged from 40 points below loan rates to 85 points above. The medium and lower White qualities were generally selling well above loan values.Light Spotted cotton was moving slowly from slightly below loan rates to as much as 125 points above.

Loan activity was still heavy. Some cotton moved on country markets at hog - round prices. Merchants were interested mostly in well - matured cotton. Prices paid for a limited volume of the lower White grades and higher grades of Light Spotted cotton ranged from slightly below to 125 points above loan rates.

The night shift of classers was discontinued at the classing office on September 13. Recent rains in amounts up to 10 inches in some communities halted harvesting operations but strippers were back in the fields on high ground.

Jones Prairie —

Ohio Guests Visit Yagers

Mr. and Mrs. Ben Yager and daughters of Oxford, Ohio, spent last week visiting his parents Mr. and Mrs. E. B. Yager.

Mr. and Mrs. Clifford Angell and daughter Janet were Houston visitors on Monday. They went especially to return her mother, Mrs. Ester Wallace t oher home in Cameron.

Major Polly Atkinson of Ft. Hood spent Thursday visiting her sister, Miss Susie Atkinson.

The Baptist WMS had an allday meeting and luncheon at the church Thursday. The program being the "Mary Hill Davis" Mission program.

Mr. and Mrs. Verne Pentecost were recent guests of their son and family Dr. and Mrs. Jerry Pentecost of Pasadena.

Randy Massengale son of Mr. and Mrs. Bennie Massengale of Cameron is visiting Mr. and Mrs. Ed White while his mother attends her brother, Charles Matula's wedding in California last week.

Miss Ethel and Mrs. Nora McKinney spent Monday and Tuesday visiting Miss Ethel's sister, Mrs. Emma Bosewell in Waco.

Mrs. Ben Massengale was a patient in St. Edward Hospital several days last week. She is home and much improved.

During the past half century, Texas Power & Light Company has provided dependable, low-cost electric light and power service to homes, businesses, farms and industries in North, Central and East Texas. In providing this service the Company has developed a widespread system of electric power plants, transmission lines and other facilities to supply the increasing needs of the area served. It has done this through the use of private investments of individuals and institutions. Not a penny has been advanced by the government, and during the past half century the Company's Federal income taxes have amounted to more than 140 million dollars.

Today, based on the experience, knowledge and capacity to serve gained in the past half-century . . . TP&L is planning and building its facilities to meet future needs for electricity with plans "on the drawing boards" for more than ten years hence.

Past record and present performance . . . these are the proofs of Texas Power & Light Company's ability to provide all of the electricity needed by all of its customers today and in the years to come.

Fifty Years of Service • 1912–1962

Some Jones Prairie horned toads went to Ohio recently and one won a pet contest.

Roger Lowe, 10, now of Findley, Ohio, marched through a two-mile parade celebrating Findley's 150th anniversary, holding one of the horned toads in his hand. The toad wore a red ribbon.

Judges spotted the beribboned horned toad and awarded young Roger for having the most unusual pet in the parade Roger's parents are Mr. and Mrs. Glen Curtis.

Mrs. Agnes Lowe is Roger's grandmother.

HN

The 18 month old son of Mr. and Mrs. Marcello Fino drowned when he fell into a bucket of water next to a bathtub in his home. The child was rushed to St. Edward Hospital but efforts to revive him failed.

HN

District Judge W. C. Wallace is in Anahuac trying a murder trial in District Court there.

HN

Douglas Barron has been receiving medical treatment in Waco.

HN

The home of Mr. and Mrs. A. L. Raymond, Jr. 402 N. Washington, burned Sept. 12 about 6 p. m. while the Raymonds were in the City Park. The fire started in the bathroom and the smoke was so dense they couldn't get in until the firemen came. There was heavy damage due to smoke and water. Some of the furniture had to be taken out through the windows. Mrs. Agnes Lowe owned the peoperty.

HN

Sheriff Carl Black underwent minor surgery at a Cameron hospital recently.

HN

A minor collision occurred 11:13 p. m. Sunday between a 1960 Chevrolet pickup driven by Roy E. Callaway, 30, of Rockdale and a 1956 Oldsmobile driven by Arssied D. Whitehead, Negro at W. Eighth and Scott Sts. Damage was estimated at $40 to the pickup and $35 to the Oldsmobile, police said.

HN

Rotary Exec Describes Role Of World Group

In Cameron to meet with officers of the Cameron Rotary club, Jim Simpson, Rotary governor of District 587, Wednesday addressed the club at The Texan's Western Room.

Simpson, 34, a banker from Hallettsville, spoke of the internationality of the Rotary organization and the significant contributions Rotarians everywhere are making to the advancement of world understanding and good will.

"Rotarians in more than 11,300 communities on six continents," he said, "are helping to draw nations closer together through their efforts to build understanding among men of different creeds and colors. They are also at work in the area of public opinion, helping to shape it on important world issues by providing information on which sound decisions can be made." Simpson also emphasized the importance of the individual Rotarian to the global program of Rotary. "This year," he reminded Cameron Rotarians, "we are urged by our international president, Nitish C. Laharry, of Calcutta, India, to develop to the fullest our own personal capacities for world fellowship and for personal service. President Laharry believes that by 'kindling the spark within' we take the first step toward releasing the latent power in each of us to be of service to others."

Speaking of the work of Rotary Clubs in international affairs, Simpson commended the local for its support of The Rotary Foundation which awards fellowships to graduate students for study in countries other than their own.

Since 1947, Rotary International has awarded nearly 1,600 Rotary Foundation Fellowships at a cost of more than $4,000,000 with the grants averageing $2,700. Contributions of Rotary clubs make the awards possible.

Class Officers Named At RHS

ROGERS — Class officers have been elected for 1962 - 63 in Rogers High School according to an announcement by Principal J .L. Chervenka.

Senior officers are: David Wright, president; Linda Martinec, vice - president; Molly Ann Gunter, secretary; Richard Tyler, treasurer; Carolyn Kotrla, reporter; Dwaine Chlapek and Nancy Andel, Student Council Representatives; George Underwood and Glenda Mayfield, PTA representatives.

Yoemen Win Over Marlin, 18-8

Doskocil Scores Two; Mayer One

About 2500 fans saw the Yoemen come from behind to defeat the Marlin Bulldogs 18-8. Hard running halfback Amos Doskocil led the Yoemen with his shifty running that Marlin could not stop.

The first quarter started off without a serious treat by either team. In the second quarter the Yoemen line started to open holes and the backfield moved the ball from the Yoemen 43 to score in seven plays. The touchdown was set up by Doskocil's 43 yard scamper thru the line. Mayer then picked up five and on the next play carried the ball into the end zone for the TD.

Marlin took the ball after a Yoe fumble and drove in for a touchdown as Billy Greensage went over left guard for a talley. Steve Palacios, Marlin's tough fullback, carried the ball around left end for the two extra points.

On the third play from scrimmage in the second half, Doskocil took the ball from the 49 yard line and dragging tacklers with him he went over the goal line. The try for extra point was no good.

Six and a half minutes later Doskocil took a handoff and went over from the fourteen yard line. Again the extra point play was no good but the margain was enough to win the game.

Doskocil carried the ball 10 times and garnered 115 yards and Joe Mayer who at 145 pounds carried a lion's share of the running duties, carried 23 times for 101 yards.

PLAY BY PLAY

Marlin won the toss and elected to receive and Yoemen captains Mike Mikula and Bobby Jones selected the east end of the field to defend. McWilliams booted the ball to the 10 and the Yoemen hit the receiver on the 8. Tony Pecina took the ball around the right end and was met by a gang of Yoemen on the line. Steve Palacios took the handoff but Amos Doskocil broke thru and hit him for a 4 yard loss. Marlin, on their own 11 tried to quick kick but Cameron was off sides and the Bulldogs took the penalty to put the ball on the 16. Kenneth Cohn tried the middle and picked up six. Marline punted to their 45 and it rolled dead.

Joe Mayer, 145 pound fullback, hit the middle for four. Mikula was met by a mass of Marlin tacklers as he lost one yard. Then Mayer took the ball over right tackle for 9, over left guard for 7, and two more plays picking up 3 and 4 yards and a first down. Mikula took the pigskin around right end for five before he was knocked out of bounds.

Craig Wallace was trapped for a six yard loss on the next play. A screen pass from Mikula to Doskocil was good for ten yards but was short by a foot for a first down and Marlin took over.

SECOND QUARTER

Quarterback Pecina was stopped for no gain. Cohn hit off right tackle for ne and Palacios went for six before a gang of tacklers brought him down. The Bulldogs punted and it rolled dead on the Yoemen 43.

Mayer picked up 11 yards and a first down. Wallace went for a five yard gain and the next pitchout from Mikula to Doskocil was fumbled for a six yard loss. Mikula hit Mike Perrin with a jump pass for a ten yard gain. With the situation fourth and one on the Marlin 37 Doskocil ripped off left tackle for 31 yards setting up the first Yoemen Touchdown. Mayer went off right tackle for 5 and then off left tackle for the remaining yard and a touchdown. With 7:09 on the clock the Yoemen led 6-0. McWilliam's kick was low.

McWilliams' kick went to the 10 and was returned to the 50 yard line. Cone went up the middle for two. This play almost didn't come off as middle man Mike Koranek shot thru the center and grabbed the quarterback but he completed the handoff.

Marlin was hit hard and fumbled but were able to recover the ball before a maroon jersey could get on it. Pecina went for 8 yards and it was 4th and three. Marlin lined up in punt formation but a short snap went to Billy Greensage and he was stopped a yard short of the first down.

Doskocil hit left guard for five yards. Cameron jumped offsides and it cost five yards. A pitchout from Mikula to Doskocil was fumbled and Marlin recovered.

MAYER IS OVER -- Yoe Fullback Joe Mayer, 25 plows over for the first Yoe touchdown after taking a handoff from Mike Mikula, 15, standing. Craig Wallace, 35, is shown blocking Rosebud defenders. Mayer carried the ball 23 times for 101 yards rushing in the game.

Cohn made six and Gregg Garrett hit for one before Schattle and Lester brought him down. Perrin spilled Greensage for a yard loss making it 4th and 4. Pecina carried the ball for nine yards and the first. Pecina carried again for a gain of 3.Then he shot a jump pass to Jim Lyons that was good for nine. Greenage hit for two yards putting the ball on the one yard line. Then Greensage hit left guard and scored with only 31 seconds left in the half. Fullback Palacios carried the ball around left end for the two points and the Bulldogs led 8-6.

Doskocil took the Marlin kick on the 18 and carried it to the 33. Mayer hit for 3 as the half ended.

THIRD QUARTER

Marlin kicked off and Dymke fell on the ball as Marlin's kick went short. Work horse Mayer picked up eight and then hit for two. Doskocil hit right end and headed for the end zone for another touchdown. The run was for 49 yards and was the longest in the game. Ponder's try for the two extra points was stopped short. Only a minute and 27 seconds had elapsed in the second half and Cameron led 12-8.

McWilliams kicked to Pecina on the 5 and he was met on the 19 by Amos Dockocil who broke thru the blockers as they were forming the wall.

A five yard offsides penalty put the ball back on the Marlin 14 and Pecina fumbled the ball and the Yoemen recovered. This was short lived as the Yoemen then fumbled and Marlin gained possession.

Pecina tried a pass but it was broken up by Larry Plentl. He overthrew the receiver. Pecina then hit Palacios with a pass good for three. Cohn punted to Wallace on the Yoemen 45 and saw it returned to the Marlin 31.

Mayer took the ball for a gain of two yards. Wallace was stopped for no gain and Laffere fumbled but recovered losing three on the play. On fourth Ponder hit Lester with a pass good for 13 yards. Laffere then bobbled the ball but fell on it with no loss. A handoff to Mayer was fumbled and recovered for no gain. Doskocil then picked up 4 yards.

Doskocil hit his favorite right end and picked up 14 yards and hit pay dirt for the touchdown. With 4:03 left in the quarter Laffere's pass to Doskocil went incomplete.

The kickoff went to the Marlin 10 and was returned to the 23 before Dymke hit the ball carrier. Palacios hit the middle for eight and then for two and just a foot short of the first down. Greensage then hit the line and went 12 yards. Palacios then hit for 4 yards and Pecina was hit for a 3 yard loss. Garrett picked up four and Marlin drew 5 yards for illegal procedure and had to punt. The ball rolled dead on the Yoe 26. Doskocil hit for four as the quarter ended.

FOURTH QUARTER

Mayer drove for ten yards and a first down but a clipping penalty moved the ball back making it first and 25 to go. Wallace picked up 3 and Mayer hit for five. Lester punted to the Marlin 32 and it was returned to the 36. Pecina picked up 3 and Palacios hit for 7. A pass from Pecina to Donald Voelter netted 29 yards before Plentl brought the receiver down.

Pecina's next pass went incomplete. He handed the ball to Palacios who picked up 7 yards. Then as Pecina went back to pass a mass of Yoemen hit him and the result was a fumble which the Yoemen recovered.

Mayer picked up 7 and then flew for two as he went over a mass of blockers and tacklers stacked three deep in the middle. Then he picked up a first as he garnered seven yards.

Wallace went for five and Doskocil went over left guard for four. Wallace hit for three and a first down. Then he got 6 more and Mayer picked up one and Doskocil went for nine and a first down.

Mayer hit for 5 and then for 4. Doskocil picked up one and a first down. Mayer picked up 3 yards. Ponder was trapped for two. Ponder tried a pass and it fell incomplete for the first incomplete of the night. Then Mayer carried for his 23rd time and was spilled for a yard loss, his only loss of the night.

Marlin took over with 33 seconds left in the game and tried a pass which went incomplete. A screen pass was completed but the alert Yoemen Mike Perrin broke thru and there was no gain. On the last play Marlin picked up 14 yards as the Yoemen spread out to let the Bulldogs have a few yards but not a touchdown. And the ball game ended.

Yoe B Team Loses Game To Marlin

The B. Team lost their first game of the season to Marlin 8-0 in a tight ball game.

Cameron gave the ball to the Marlin squad on a fumble on Cameron's 40 and they were able to drive in to score. Marlin's big fullback Roy Adams, an all - district transfer from Lott last year, scored the touchdown.

B team plays Taylor, Yoe Filed, Thursday night at 7:30 p. m.

Frankie Dorner, speedy half back looked like the best back on the field as he hit his dive plays real well for short yardage. Defensively Larry Paul Manley and Dennis Jisel were outstanding. It was Jistel's first ball game.

Coaches Joe Davis and Raymond Bennett said that they were well pleased with the effort that the boys put out and said that the boys had learned a lot.

Cameron emptied the bench as every boy on the squad was able to play.

O. J. Thomas Loses To Elgin 24 - 14

The O. J. Thomas Bulldogs opened their 1962 football season against the Elgin Eagles Saturday night in Elgin. The team played a very good game, but bowed to its opponents by a 28-14 loss.

The Bulldogs scored two touchdowns early in the first quarter and entered the second quarter leading the Eagles 14-0. Fullback Melvin Bradley scored both touchdowns, blocking an Eagle punt for the first and racing 80 yards on a screen pass from Aycox. Quarterback Aycox passed to left end Canady for the two points after the second touchdown. The Bulldogs lost the support of Danny Debose, a freshman halfback who sustained a leg injury early in the first half.

The team consists of many freshmen who showed a vast amount of improvement. The O. J. Thomas team opens its conference play at home on Saturday, Sept. 22 against O. L. Price High School of Taylor.

Bowling Roundup

The fall bowling season started this week with four leagues starting play and other to start early next month. Three ladies' leagues. including one composed entirely of Rockdale bowlers, and one men's league started the race which will end next spring.

The Tri City men's league started with several 200 games. Harlan Mees began the season with a 200 average over the first three games which is the first time a Cameron bowler has had this average in a league. Mees also hit eleven strikes in a single practice game and rolled a 264. Twelve strikes is a perfect game but he opened in the fourth frame. His top practice game which is a Cameron Lanes record is a 278.

Kathryn Jeter started the league off by bowling a triplicate score which will earn her a patch from the WIBC. She had three games of 125 each.

Rosebud-Rogers

The Rosebud Black Panthers continued to show off their powerful football as they rolled over Rogers Eagles 41-0. Gene Janes, the all - state quarterback candidate, lived up to his pre - season billings as he faked, passed and ran the Rogers team into submission.

Rosebud was in complete command of the game from the beginning as they took the opening kickoff and drove 85 yards for the touchdown. The Eagle defense stiffened inside the ten and on a fourth and two situation, Lloyd Fabianke lugged the ball over for the TD. An attempted kick failed for the extra point.

Again in the first quarter Rosebud recovered a Roger's fumble and scored as Janes threw a 27 yard pass to end Harold Swanzy to climax a 35 yard drive. A pass from Janes to end Drew Bierds was good for two points.

In the second quarter, Fabianke scored from five yards out climaxing a 65 yard drive. The try for extra points failed and the score stood at 20-0. Later in the same quarter, W. D.Swanzy took a handoff from Janes and scampered 35 yards for the touchdown. Swanzy had set the play up by making a fine 44 yard run back off a Rogers punt. The extra point try failed and the score at halftime was 26-0.

Rosebud continued its scoring ways in the third quarter as Janes threw a short pass to Alfred Castilleja who raced 78 yards for the TD. James Lucas kicked the extra point.

sports herald

By James Hollas

The Yoemen stepped into the winning column this week and captured individual and team honors over Marlin last Friday the Yoemen were spotlighted on a television program and picked number 5 in Central Texas AA ball by a Waco newspaper.

Fleet footed back Amos Doskocil was named to the Waco paper's Honor Roll Backfield of the Week. Doskocil was the spark in the Yoeman line up as he picked up 115 yards in ten carries and scored two touchdowns plus setting up the touchdown that the Yoemen's big brusing 145 pound fullback Joe Mayer scored. Doskocil also was blocking for his teammates.

Coach John Roberts came in for praise but was edged out for Coach of the Week honors in the paper. Mike Perrin and Eugene Schattle were named to honorable mention as linemen of the Week.

Dub King, TV sportscaster from Waco, saluted the Yoemen as one of the three outstanding teams in Central Texas for last weeks victory over Marlin. He mentioned that the victory was John Roberts' first since he came to Cameron this season.

-sh-

The town can be proud of its athletic teams. The B team made the first of of town trip to Marlin and were very impressive with their behavior. The team all wore dress pants and sport shirts and the bus trip was jolly but not loud and there was no fussing.

Some of the boys looked real good as they played their first game of football. The coaches reported that the team showed better spirit as they ran plays against the A squad to help them prepare for Friday night's game with Taylor.

-sh

This week we are going to take a chance and see how close we can guess the scores around the district. We warn you ..... don't place any bets on these predictions.

With Taylor's two defeats we have to go along with the Yoemen but it may be closer than everyone thinks. Make it Cameron 20, Taylor 18. Rockdale seems to be a solid choice over Elgin on the Tigers home field and it looks like Rockdale 21, Elgin 6. A & M Consolidated hosts Madisonville and with their power their hspitality will be poor ..... about 26-13. Hearne is hungry for a victory after a loss and a tie and should go to Franklin and come back victor about 30-7.

But high school football is like Texas weather .... mighty unpredictable.

District 19AA Loses One Game Last Week

District 19AA teams won all but one game this week. Hearne was the only loser as Elgin dumped them for a slim one point loss 7-6.

Cameron topped Marlin with 18-8 as the Yoemen won their first game of the year. Rockdale continued their winning streak with a powerful 52-7 victory over Taylor. Caldwell came out ahead of Giddings 20 - 8 for their first win of the season.

Navasota, who could be real tough this season, topped Madisonville 20 - 0. A & M Consolidated ran away from Del Valle 27-0.

Buckholts Defeats Milano Eagles 27 - 0

The Buckholts Badgers slaughtered the Milano Eagles Friday night in a six - man football game by a score of 27-0 at Milano field.

Morris Jones led the Badgers by scoring two touchdowns in the first half and one in the second. Buddy Inge caught a pass from Don Glaser for the fourth and final touchdown.

John Roy Zajicek led the Badger tacklers while Billy Reese paced Milano defensively.

The Badgers will play Leon Friday night at Badger field.

DAR Reminds Citizens Of Constitution Week

The Sara McCalla Chapter, DAR Cameron, reminds us that this is Constitution Week.

The constitution was designed to establish a strong central government and through the years the constitution has been by no means static. Originally only a skeletal framework of government -- the constitution became a "living" document.

It has kept pace with the American people - allowing them a maximum of freedom while providing machinery through which order might be maintained, domestic problems resolved with a minimum of violence and national aspirations realized.

The constitution was so written that it adapts to changing needs and conditions by interpretations, custom and usage.

The Sara McCalla Chapter, DAR Cameron, urges each citizen to re - read, ponder and appreciate during this Constitution Week, it's excellence of scheme, it's adaptation of the people, the simplicity, brevity and precision of language along with the authors' compromising attitude while retaining it's exact limits of principle and it's elasticty of detail.

Mrs. Pruitt Hosts B&PW Club Mon.

The Business & Professional Women's Club met Monday in the home of Mrs. Lula Pruitt. Miss Hael Williams, president, presided over the meeting.

A report on the rummage sale was given by Mrs. Lillie McWilliams. Mrs. Mary Houston, a teacher at the Marak Public Schol, spoke on Planning In Three Dimensions, which she stated were first for personal development, second, for civic participation and third, for world affairs.

The hostess served a salad plate and lemon ade from a table covered with a white cloth accented with a large bowl of artificial fruit

The next meeting will be October 1 at the home of Mrs. Dot Jeter

All parents and boys interested in the Scouting Program are invited to attend this meeting.

A film, Cub Scouting in the Home, will be shown along with a Space Display created and arranged by the Cubs. Theme for the month of Sept. has been Space. October theme will be Heroes in Books. All boys registered by Tuesday night will be eligible to make the Pack 88 trip to see the Baylor Bears play football Sept 29, 8 p. m. at Baylor Stadium.

Rogers Health Center Opens

ROGERS — The new Rogers Health and Immunization Center opened for business for the first time September 11 as announced by Dr. L. E. Hamilton, City Health officer in charge of the Center

The Center is located in the Dabney Drug store building and is sponsored locally by the Rogers Community Service Club, Wayne Crawford, president. The Center is promoted by the Bell County Health Department, with Dr. John Bryson as director.

There will be two defnite phases of the work in the Center, with the hours of 8 to 9 a. m. every second Tuesday of the month given to the Well Baby clinic, dedicated to babies not regularly under the care of a doctor. Babies will be seen by appointment only Appointments may be made every Tuesday at the Center.

The other phase of the Center's program is the immunization program for school children. This work will start at 9 a. m. each second Tuesday and will run as long as needed, or until school is out at 3:30.

Pre - school children are also invited to the immunization clinic Mrs. Marjorie Hunt, public health nurse, will have charge of the immunizations, and will be assistant to Dr. Hamilton. School buses will carry children from school to the Center and back to school.

The Rogers Community Service Club, Dr. Hamliton and the County Health Department are all thankful for many people who have made the Center possible by donating furniture, money, interior painting of the building and so on.

PERSONALS --

Mr. and Mrs. Adrian Richter and son Chris and Adolph Richter visited ther sister and daughter and family Mr. and Mrs. George Schneider in Brownwood over the weekend.

Mrs. Jackie W. Raney

Doris Trdy Weds Jackie Raney Sat.

In a double ring ceremony at St. Monica Church Sept 8, Doris Ruth Trdy daughter of Mr. and Mrs. Louis Trdy of Cameron, and Jackie W. Raney, son of Mrs. Jewel Raney, were married.

The Rev. John Geiser officiated from an altar decorated with baskets of white mums. Mrs. Frank Hanel and the church Choir furnished music.

Given in marriage by her father the bride chose a formal white chantilly lace gown with fitted bodice and long sleeves. The sweetheart collar and long full skirt with train completed her gown.

Her elbow length veil of tulle fell from a small crown of seed pearls. She carried a bouquet of white feathered carnations with an orchid centered on a white prayerbook, gift of the bridegroom. She wore a cross worn by her mother at her wedding.

Miss Martha Mayer of Temple was maid of honor. She wore an emerald green dress with rounded neckline, bell skirt and completed her ensemble with green shoes and hat. Miss Yvonne Krenek of Cameron was bridesmaid. She was dressed the same as the maid of honor.

Miss Elaine Trdy, sister of the bride was flower girl. She was dressed in green and carried a basket of petals. Master Harold Shuffield of Freeport, nephew of the groom was ring bearer.

Serving the groom as bestman was Alvin Wilganowski of Bremond. Gene Bartek of Temple was groomsman. Ushers were Leon Beach of Austin and Elmer Arldt of Temple.

The bride's mother chose a beige dress with brown accessories and a white corsage. Mrs. Raney chose a rose dress with white accessories and a white carnation corsage.

The reception followed in Simon - George Hall. Large baskets of mums decorated the reception hall.

Registering guests were Mrs. Jackie Brashear and Theresa Dohnalik both of Cameron.

The bride's table was covered by an embroidered tablecloth made by a cousin and was centered with the bride's and bridemaid's bouquets. The three tiered wedding cake was topped with a miniature bride and groom.

Serving in the houseparty were: Miss Sandra Baskin of Cameron, Mrs. William Gilbert of Freeport, Miss Saundra Fuller of Cameron and Miss Joyce Terry of Cameron.

For traveling the bride chose an egg - shell white nylon wool two piece suit with green hat and shoes and the orchid from her bouquet.

After a honeymoon to Galveston the couple will be at home at 509 Anderson, Hearne.

TELEPHONE TALK

by C. L. Carson, Manager

CALLING ALL CAMERON NIMRODS

Another hunting season is now with us, and for many of us that means oiling the old shotgun and gathering an ample supply of bird - shot. Besides sportsmen, there is another group of people who are especially active during this season -- they are the telephone repairmen here in Cameron. That's why we ask you please do not shoot birds while they are sitting on telephone lines and cables.

Each year hundreds of telephone lines are broken by hunters who thoughtlessly shoot toward telephone poles, insulators, wires and cables, causing service interruptions and costly repair bills. It could even disrupt an important call to your own telephone.

Let's all display good sportsmanship and give wildlife an even break, shoot him on the wing, not while he is sitting. Your help and cooperation will be appreciated.

COOKS BEST FRIEND

What's the cook's best friend? Well, salt and pepper would rank high on the list, but for my money, a kitchen extension telephone would rate tops.

A kitchen phone lets you feed the baby . . . check the grocery list . . . stir the stew -- and keep right at it when the phone rings. A kitchen extension costs less than four pennies a day -- mighty low cost when you consider all the step-saving convenience it gives.

We have colors and styles to suit your own good taste. Just call the business office or ask your telephone man.

SOMETHING TO THINK ABOUT

In Japan, there are two ways to get telephone service. People who can wait three years for their phones apply to the Nippon Telegraph Corporation, a government - subsidized company. They must buy a $450 bond, which cannot be redeemed for 10 years, and also pay a $28 installation charge.

A quicker but more expensive way is to go to a telephone broker. This costs from $500 to $1,500, if the customer is really in a hurry.

There are an estimated one million held orders for telephones in Japan -- 210,000 in Tokyo alone.

Like I said, it's something to think about.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Beta Nu Chapter Holds Meeting

Program theme for the first regular meeting, Saturday of Beta Nu Chapter of Delta Kappa Gamma was "Acknowledging the Contributions of Recognized Women Leaders."

Talks by Mrs. Robert Souther and Mrs. Arnett Zelisko emphasized the facts of there being comparatively few women in the field of sciences and the admirable qualities in the characters of ten outstanding women of today in a variety of work, ranging from aviation to lecturing.

Mrs. Byron Stubbs, Chapter president, and the committee chairmen, previewed procedures for the ensuing year. The chapter project will be "Wanted: Outstanding Young Women for Future Teachers."

The meeting was held in the Cameron Country Club House. A luncheon preceded the program and business session. Thirty - three members from Falls, Milam and Robertson Counties were present.

Mrs. Stidham Hosts UDC Meet

The frst 1962-63 meeting of the United Daughters of the Confederacy met in the home of Mrs. Grady Stidham Wednesday at 3 p. m.

The meeting opened with the Lord's Prayer and a salute to the flag. Mrs. Walter Sharpe gave a program on West Point, "The Tragic Class of 1861."

Delegates elected to the Texas Division Convention in El Paso in October are Mrs. Walter Sharpe and Mrs. John Hays. Mrs. Franklin Dusek reported a donation to the Confederate Museum in Austin.

Refreshments were served by the hostess assisted by Mrs. John Hays.

Research Helps Hard Of Hearing

Our Labs and Research Departments are working around the clock to find better ways to help the hard of hearing. Our Doctors are re - schooling themselves on ear operation. Our Audioticians are studying and researching on the latest ways to help the hard of hearing. Our newspapers, radio and television are doing all they can to inform the public about this serious problem. Yet with all this we are still fighting a losing battle. The blame falls right back in your lap. With all the research, plus holding hearings clinics in or near your town giving FREE hearing tests the American public comes up with the same old stories . . . I'll wait awhile . . . I'm going to get a test one of these days . . . I've been aiming to but just haven't got around to it. I just know they can't help me . . . My child is not hard of hearing, he just don't pay any attention to me . . . On and on it goes. Another big problem we are faced with are the people that fit their own Hearing Aids. They will buy an Aid like buying a loaf of bread, or buy one some one else has cast off, or order one through the mail. There is nothing wrong with buying your Aid like this. IF you will bring the Aid in and have a complete test made of your hearing loss and have the Aid fitted to you. It's very inexpensive and could prevent you from doing serious damage to the hearing nerve, plus giving you better hearing. If you wear a Hearing Aid and still don't hear, it stands to reason something is wrong. Find out what that wrong is, and have it corrected.

Mr. Treadway

Mr. Treadway, who is an Audiotician (not a hearing aid salesman) will hold his regular Hearing Clinic at the Cameron Hotel in Cameron, Tuesday, Sept. 25 from 10 a. m. to 1 p. m. If you have a hearing problem of any kind come in and have a test made. Don't be one of the put it offers. The longer you wait the more damage you do to your hearing. If you have a Hearing Aid and can't hear, bring it in and we will see if we can adjust it to you. If you have been told you suffer from Nerve Deafness we would like to see you. With the new Instrument (not a hearing aid) we have been able to help lots of these cases. If you wear one of the body type Aids we can now take the button and big ear-mold out of your ear. If you are ashamed of the button and big ear-mold sticking out of your ear come in and see how we make you hear without it. The total cost including adjusting your Aid is just $10.50.

If you would like to come to our new office in Temple, Mr. Treadway is there every Thursday and Friday.

TEMPLE HEARING CENTER
120 N. 3rd Temple, Texas

Mr. and Mrs. John J. Zarosky of Cameron announce the approaching marriage of their daughter, Marie to Jimmy L. Greer son of Mr. and Mrs. Jim Greer of Manor. An October 27 wedding is planned at St. Monica's Catholic Church. The bride - elect is employed by the State Board of Insurance, and her fiance is employed by the Texas Insurance Checking Office.

IN SERVICE

KEESLER AFB, Miss. -- Air Third Class Gordon E. Jones of Rockdale is being reassigned to Chennault AFB, La., following his graduation from the United States Air Force technical training course for air traffic controllers here.

The airman, a 1961 graduate of Rockdale High School, is the son of Mr.and Mrs. Homer V. Jones of Rockdale.

Mrs. Dusek Hosts Delphian Club

Red carnations decorated the living room of the Alvin Dusek home Tuesday when Mrs. Dusek was hostess for the Cameron Delphian Club.

Mr. E. A. Perrin presented the program giving highlights of their trip through the northern sates and Canada. He gave special details about their visit at the Worlds Fair in Washington.

During the business meeting following the program Mrs. J. H. Thomas, year book chairman, presented the clubs 1962 - 63 year book.

Refreshments of chiffon lemon pie and ice tea were served in the dining room. An arrangement of double pink Althea centered the serving table. Mrs. Carroll Green and Mrs. A. W. McCullen assisted the hostess.

More nitrogen for your dollar than you can get in any other type of fertilizer!

Herald Editorial Page

Cuban Choices Limited . . .

Much information has come to light on the Russian takeover of Cuba in the past week. And President Kennedy has announced this nation will take whatever action is necessary to contain the communist threat in Cuba.

Authorization has been given by Congress for Presidential standby call of 150,000 reservists.

But Soviet development continues in Cuba, once the playground of dictator Batista and the revolutionary ground of Castro. Reliable reporters note that Castro, like Batista, is on his way out.

Kremlin takeover of Cuba will eliminate the possibility of any amateur revolt in that once friendly island. Only embargo will stem the input of militarism. Only invasion will drive the communist bastion from the Western Hemisphere.

This is an object lesson in power politics. Create a power vacuum by allowing a Castro to disrupt any semblence of order, then fill the vacuum with guns and rockets from the Soviet orbit.

Liberal treatment by the U. S. State Department has brought us to a military position: a blockade or an invasion. What other choice is there?

A Good Crop Year . . .

Recent rains prompted optimism for all of Milam County's agriculture as grazing land and peanut crops drew new life.

Observers say that this should be one of Milam's best falls in years in terms of fall crops coming in early with good production.

Impact of good crops is felt more than ever in the individual farmer's pocket and less in the seasonal farm worker's who came in during the fall, worked several weeks and continued on his way.

More work is being done by local people who keep their earnings in local circulation. The migrant worker spent quite a bit locally, but in later years sent much of his pay home, whereever that may have been.

In cotton, the machine age has brought the stripper and picker which have revolutionized processing of the crop. Cotton wagons furnished by gins allowed easy transportation of cotton to gins further away, thus reducing the number of gins.

We noted the other day that the gin at San Gabriel has been removed. Two have gone out of operation in Cameron. Similar reductions in gins have been made throughout Central Texas.

All this machinery means that farmers are investing more in mechanization, and with more fertilizer and modern farm technics, are turning out greater production. Those who do not simply cannot make it.

Without the limitations on farm production, this would likely have been a record year in overall crops. Per acre production in maize and cotton alone showed outstanding results.

It is good to see the agriculture economy get some breaks from the weather after 70 days of drought.

Campaign Begins On Water Bill

By Vern Sanford

AUSTIN — A campaign to pass the water conservation amendment on which Texans will vote this November (No. 4 on the ballot) got under way at a meeting of the Statewide Water Committee in Austin. Committee is composed of just about everybody who is interested in water conservation and development.

Proposed amendment would permit the State Water Development Board to acquire storage space in reservoirs built either by local or Federal agencies and conserve storm and flood waters for beneficial uses.

Gov. Price Daniel addressed the meeting and thanked the committee for its "dedicated efforts" in promoting Texas' water program.

John Vandertulip, the State Water Commission's chief engineer, reported on the broad plan for meeting the State's water needs in 1980. Marvin Nichols of Fort Worth, chairman of the Development Board, discussed the lending program through which water projects have been financed. And Joe Carter, chairman of the Water Commission, explained the proposed amendment in detail and emphasized the need for its approval.

The Statewide committee urged its members to back the amendment and approved the Water Commission's proposed budget. It also commended Gov. Daniel for his "courageous, bold and dynamic leadership" in bringing about "the greatest and most comprehensive water resources conservation and development program in the history of Texas."

Ben Carpenter of Dallas was named chairman of the finance committee for the conservation amendment campaign.

TICK SURVEY

The U. S. Department of Agriculture has turned up five kinds of ticks which are suspect as fever carriers in a survey currently being conducted in Texas.

The Lone Star tick, believed a carrier of Rocky Mountain spotted fever, Q fever and tularemia and also a transmitter of Bullis fever and tick paralysis, has been found in Robertson, Rusk, Colorado, Medina, Kerr, Comal, Nueces, Karnes, Harris and Hays Counties.

The Cayenne tick, found only in South Texas and a producer or transmitter of Q fever, has been discovered in Kenedy County.

The Gulf Coast tick, blamed for tick paralysis, has shown up in Washington County while its imitator (amblyomma imitator), rarely seen in the U. S., was found in Nueces County.

The spinose ear tick (only soft tick of the five), suspected in Q fever and anthrax, has been identified in Randall, Wichita and Comal Counties.

TRAFFIC SAFETY WEEK

Governor Daniel expressed "deep concern over the dangerous upward trend in traffic deaths among Texas high school and college students," as he proclaimed September 17-21 as fifth annual Texas School Traffic Safety Week.

He noted, however, that the 25 Texas traffic deaths in the 3-day Labor Day holiday were the second lowest toll since 1951.

EXPORTS

Texans can start thinking of themselves as exporters in big style.

Nobody had counted it up before, but now the University of Texas Bureau of Business Research finds that Texas is exporting to foreign countries $837,000,000 worth of manufactured products, $446,000,000 of agricultural products and $31,000,000 of other products, mainly sulphur, salt, talc and fishery products.

Petroleum exports came to $177,000,000 and chemicals to $247,000,000 ..... showing how the petrochemical industry has turned Texas' sales of oil abroad from a raw to a manufactured product.

SCHOOLS

The men and women who run the schools -- board members and administrators -- come to Austin on September 30 for their annual conventions. They plan searching looks at the problems of schools, many of which sum up into five letters -- M-O-N-E-Y.

Overhaul of the ad valorem tax system was proposed by a series of clinics held by schoolmen earlier this year.

Problems of textbook selection and teaching Americanism will be aired.

The tertbook panel will review recent criticisms, as well as prospective legislation which may be recommended by a study committee.

THE OLD PHILOSOPHER

Philosopher Takes A Look At The Cuban Situation And Continues To Look And Look

Dear editar:

I was talking with a man in town the other day who keeps up with things in the world and he said it was time we did something about Cuba.

"Whatta you mean?" I asked.

"I mean it's time President Kennedy did something about Cuba, that's what I mean."

"Whatta you suggest he do?"

"Me suggest? That's not my job. That's his."

I came on back home and got to thinking about this and decided he's right.

Something ought to be done about Cuba. Something ought to be done about the Berlin wall. Something ought to be done about Russia, about the Congo, India, Algiers. Something should have been done about Hitler before he got cracked up, something should have been done about the Kaiser, about Attila the Hun, Julius Ceasar, the driver who nearly ran over me when I was coming back from town, high taxes, economic depressions, and the next man who's going to go berserk and shoot up his family.

The trouble is, there are some problems that can't be solved ahead of time. There are too many things in life that can't be headed off.

Regardless of how violent and dangerous a family squabble next door is, and regardless of how wrong one side is and how right the other is, where's the man who can solve it by wading in himself?

It's wrong for Castro to trample the Cubans with the aid of the Russians, but it might be wronger to start an atomic war about it. Don't ask me.

I'll tell you, being President is a fine job, but it sure has its drawbacks.

Running the world, like raising a family, has problems no man has the answer to. You can do what you can, but half the time it won't work. The kid will either grow out of it or he won't.

Something ought to be done about Cuba, all right, just as something ought to be done about this Johnson grass farm. I'd rather think about Cuba, though. I know what ought to be done about this farm.

Yours faithfully,
J. A.

EI&E

Valera Green and Lura Jean Burleson accompanied the Home Demonstration Agent, Miss V. R. Pittman, to the East Texas Fair at Tyler, Friday, September 15 to participate in the Second Annual 4-H Favorite Foods Show.

Contestants entered a favorite food in one of the following groups Milk, Meat, Fruit and Vegetable or Bread and Ceareal.

With over 38 contestants over the state entering the Bread and Cereal group, Lura Burleson of Milam County placed third in this group. The food was displayed along with proper table setting and center pieces and a day's menu planned to be served with the food prepared.

The group was guest to a banquet sponsored by the Home Ec Department of Texas College.

WINTER PASTURE

Winter pastures can provide the grass forage needed by livestock and it is time to plant them, says Ted Thew, extension pasture specialist. He suggests a visit with the local county agent for information on the best adapted varieties and the proper soil preparation treatment. A soil test is a logical beginning, reminds Trew.

Hanover Community Sets Homecoming

The Hanover Community cordially invites you to their Homecoming Sunday September 23.

The program will be church in the morning, singing in the afternoon. Everyone is asked to bring a basket lunch.

FALL ARMYWORMS

Fall armyworms, according to reports from over the State, are beginning to make their appearance. They can become a serious part of many crops and grasses by eating the tender stems of the plants, say entomologists of the Texas Agricultural Extension Service. County agents can supply information on control measures.

Tough new '63 Chevrolet Trucks are here!

. . . THE ONES THAT WHIPPED THE BAJA RUN . . . TOUGHEST UNDER THE SUN . . . TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Round trip from Detroit to the end of the Baja Peninsula is over 8,000 miles.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

November	2	Navasota *	There
	9	Caldwell *	Here
	16	Rockdale *	There

* Indicates District 19 AA Games
Game Time: 8 p. m. Non - District -- 7:30 p. m. District

After hitting the winning road last week the Yoemen will take on their old rivals the Taylor Ducks Friday night in Taylor.

Taylor is looking for their first win as they went down before Belton and Rockdale in their first games. Taylor has good material this year but have failed to click.

Last year Taylor handed the Yoemen their first defeat in six games by a heartbreaking score of 15-14. The Yoemen will be out to revenge this defeat and Taylor will be out to win their first game of the young season. It will be a hard fought ball game.

Support for the Yoemen has been good at the two home games this year. Let's continue this support and follow the team to Taylor this Friday.

Republicans Send Delegates To State Meeting

Milam County's Republican Party sent a slate of delegates to the GOP State Convention which was held in Fort Worth early this week beginnning on September 18.

Delegates who were named at the Republican county convention last May to attend the state meeting are: Dr. E. O. Smith, Jr., James E. Luckey and Edwin Lehman. Alternates are James Kahler, Lloyd Albertson and D. D. White, Sr.

The GOP Convention began Tuesday morning. It was preceded Monday evening by a rally, entertainment and reception which was held in the Will Rogers Coliseum. The show included a number of acts and featured top stars of Hollywood and Television. George Murphy, Hollywood movie star, was master of ceremonies for the show.

Catholic Society Holds Meeting

The St. Monica's Ladies and Christian Mothers Society held its regular meeting Tuesday at Simon - George Hall.

Reports from various committees were given with Mrs. Anton Hanel, Rural Life committee chairman reporting that Jo Ann Hollas and Dennis Jistel, members of the St. Anthony's 4-H Club were to receive the 4-H award for the outstanding Catholic boy and girl on Sept. 12 at Amarillo.

There were five electives from the state of Texas for this award with two being from the Austin Diocese.

Mrs. Frankie Ehler reported that enough points had been credited to the society for the Electric cooker selected after joining the Gold Bond Stamp Project Plan.

After the business meeting the ladies enjoyed a game. Mrs. Pete Mikula won the rosary.

2,000 Expected At Somerville

More than 2,000 people are expected to crowd into the quiet little Central Texas city of Somerville (population 1,177) on Sept. 22 for the groundbreaking ceremonies on the new Somerville Dam and Reservoir Ceremonies are slated to begin at 11 a. m.

Vice President Lyndon Johnson and Congressman Homer Thornberry will use gold plated shovels to break ground. After the ceremony, key business and political figures present will speak briefly and then a barbecue will be served on the American Legion grounds.

Representing the Corps of Engineers, which will supervise construction of the dam, will be Brig. General Carroll H. Dunn, Division Engineer from Dallas, and Col. R. P. West, District Engineer, Fort Worth.

Brazos River Authority President J. Howard Fox of Hearne and a number of the authority directors will be on hand to represent the river authority. The BRA is a partner of the Corps of Engineers in the reservoir. The authority is purchasing 169,860 acre feet of conservation water storage space in the reservoir at a cost of $4.8 million.

WSCS Meets In Circles Monday

The Circles of the Woman's Society of Christian Service met Monday in circles for the first lesson in the Christian Social Relations study for the 1962 - 63 year "Responsible Adults For Tomorrow's World."

The Perrin and McCullin circles met in the home of Mrs. A. W. McCullin with Mrs. Sam Brewer teaching the study. There were 20 members present.

The Henderson Circle met in the home of Mrs. A. J. Mondrik with Mrs. Mondrik teaching the study and 11 members present. This circle will meet with Mrs. Mondrik Monday for a continuation of the study.

The McCullin and Perrin circles will meet in the Lounge of the Fellowship Hall Monday.

Maysfield WSCS Sponsoring Party

The Women's Society of Christian Service of the Maysfield Methodist Church is sponsoring a 42 Party at the Recreation Hall in Maysfield Friday night at 7:30 p. m.

The public is cordially invited and refreshments will be served.

Mrs. John B. Henderson Sr. has been visiting her sister in Ft. Worth this week.

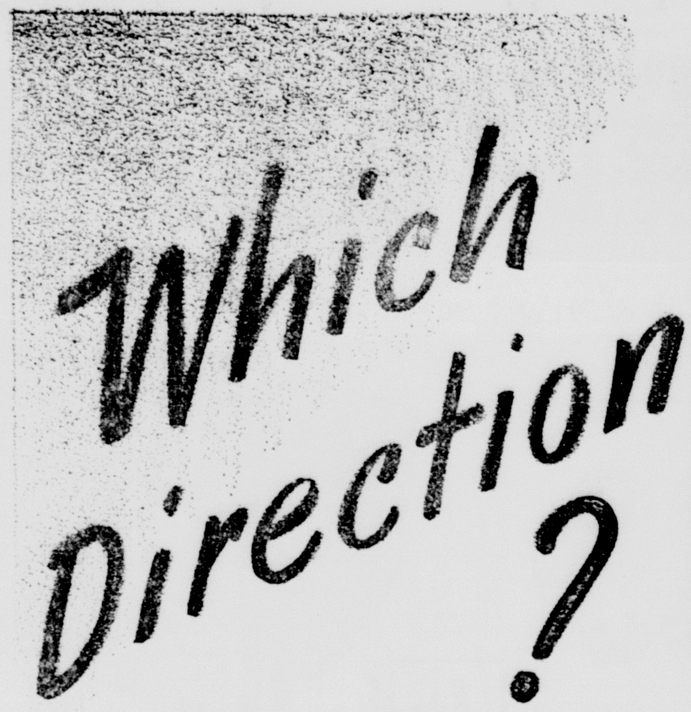
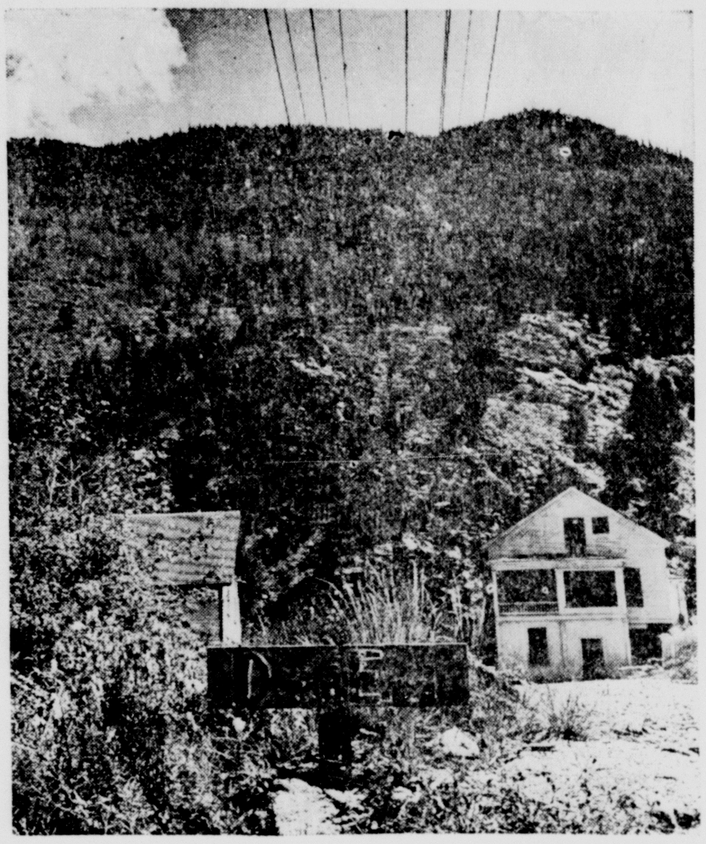
Night Serivce — 7:00 p. m.





Have you examined the road you are travelling? Have you taken a forward look? Is it possible that you are approaching a "dead-end"? Do you know whether "your way" is God's way for you?

"There is a way that seemeth right unto a man, but the ends thereof are the ways of death."

The primary purpose of the church is to point *you* and others to Him Who said,

"I AM THE WAY"

Millions of people will testify that to follow Him is to walk the path that

"SHINETH MORE AND MORE UNTO THE PERFECT DAY"

A cordial welcome awaits you at church. Come! Learn to "walk in the light, as He is in the light."
